Powerpoint of Functionalist Theory of Education

Textbook p139-141

Topic – Functionalist Theory of Education

- Explain the Functionalist theory of Education (using the key terms of the theory – 5 functions of education)

- Give examples of how education may achieve these functions

| <u>Function</u> | <u>Example(s)</u> |
|-----------------|-------------------|
| | |
| | |
| | |
| | |
| | |

- Give 3 criticisms of the Functionalist theory of education (that you could explain to the rest of the group)

1)

2)

3)
