

20th October 2017

Dear Parents/Carers,

The Academic Summary reports for Key Stage 3 students in 2017/18 include a new 'On Course Indicator' measure.

To clarify the indicators are as follows:

E – Exceeding – A student who is likely to achieve above their target grade by the end of KS3 (Year 9)

OC – On Course – A student who is likely to achieve their target grade by the end of KS3 (Year 9)

D – Developing – A student who is close to achieving their target grade at KS3 but needs to seek advice from their teacher on how to ensure that their target is met.

WT – Working towards – A student who is likely to achieve two part grades below their target at KS3. They should be encouraged to access all support available within the faculty in order to help ensure that their target is met.

N – Not present for a sufficient number of lessons to provide a grading.

Please accept our apologies for an administrative error on the reverse of the Aut1 reports meaning the On Course Indicators were mis-aligned.

Yours sincerely,

Chris Allen
Vice Principal
