

October 2018

Dear Parent/Guardian

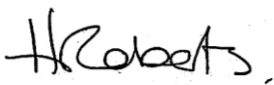

As part of the Academy's Sixth Form application process we will be running subject taster sessions over the next two months.

The sessions are an opportunity for students to find out more about the demands of Post 16 study, as well as confirming they have made the right choices. The sessions will be activity based, as well as allowing students to ask subject staff any questions they may have. We advise students to attend any subject session that they may be considering studying in the Sixth Form next year.

These sessions are a **compulsory** part of the application process and if your son/daughter is unable to attend, we will require this in writing, to the Sixth Form office. Failure to attend these sessions will result in your son/daughter missing vital preparation work.

**All taster sessions must be booked in advance of the taster session date by following the link found in the Sixth Form section of the Academy's website.**

Yours sincerely

Miss H B Roberts  
Vice Principal
