

Regional Training Centre FREE WORKSHOPS

Sign up now for our latest free workshops on iPad and learning with digital tools, suitable for educators in primary, secondary and FE/HE.

www.deferrers.com/RTC

All of our workshops are run by highly experienced teachers and focus on enhancing learning using digital tools and pedagogy, as well as technical aspects. Our trainers are all Apple Teachers and include 2 Apple Distinguished Educators and an Apple Professional Learning Specialist.

Several of the courses and workshops this year can help delegates with earning badges as part of Apple Teacher status.

This year's workshops include:

- **Getting started with iPad and mobile technology.**
- **Assessment For Learning with iPad**
- **How to use iPad effectively in the Primary Classroom**
- **Get Creative with iPad and Apple technology**
- **Advanced Masterclass: using iPad and digital tools in Science and Maths**
- **Advanced masterclass: Becoming an iPad Champion**

You can book up to 5 places on each course, using the links to the Eventbrite booking website. There are limited places available and we ask that you please let us know in advance if someone is unable to turn up, so we can offer the place to someone else.

Workshops are open to anyone involved in education, including school leaders, teachers, teaching assistants, ICT technicians and student teachers.
