Purpose of the policy

This policy details how The de Ferrers Academy deals with an emergency evacuation of the exam room(s) by defining staff roles and responsibilities and confirming the emergency evacuation procedure.

When is an emergency evacuation required?

An emergency evacuation is required where it is unsafe for candidates to remain in the exam room. This might include a fire in the exam room, the fire alarm sounding to warn of fire, bomb alert or other serious threat.

In exceptional situations, where candidates might be severely disadvantaged or distressed by remaining in the exam room, the emergency evacuation procedure may also need to be followed. This might include situations where there is severe disruption in the exam room, serious illness of a candidate or invigilator or similarly serious incidents.
