

11th May 2020

Dear all

Safe and Steady – a message about possible academy reopening to additional students.

We hope this letter finds everyone as well as can be expected at this time.

Further to the Prime Minister's briefing, we understand that there may be a lot of concerns and anxiety around the lack of concrete information and planning behind the details of the Government road map to remove the measures around social distancing and in particular, what this may mean about some additional students attending schools from 1st June.

As the government's proposals emerge and become clearer, we will make sure we keep you updated. However, in the interim period, please be assured that whatever happens **every decision will be made ensuring that the safety of our students and our staff remains the absolute priority**. We will not be rushing to make decisions that we may later regret, so please bear with us while we take stock of the information as it emerges.

In the meantime, our academy remains open as it has in recent weeks, for the children of key workers and children deemed vulnerable only. We will continue to provide support to our free school meal families as well as our usual remote learning support and guidance.

We truly look forward to seeing you back, but only when the time is right and safe.

Best wishes

Mrs K D Hardy
Principal
