How to be a KS3 French superstar

1. Use Linguascope to learn the numbers 1-20. Play some games to help you.

2. Find some French pop songs on You Tube

3. Find out about A famous French historical person

4. Use the Internet to find out what you can about the Eiffel Tower

5. Find some pictures of French people/ places/ things. You will need them for your exercise book in September.

6. Use Linguascope to learn colours

7. Find any French brands which are common in the UK (cars/ food/perfume) Make a list.

8. Use Linguascope to learn the months of the year.

9. Find France on a map of Europe. Which countries is it near?
