

## History Transition 2020

### Task 1:

We would like you to create a timeline of your life in **chronological** order. Chronology and timelines are very good skills in History, so you can get prepared! Chronology means in date order, so start right at the beginning (when you were born), any key events throughout your life, and right up until August 2020!

### Task 2:

What have you been learning in History in primary school? Can you create a poster/presentation or booklet about what you have learnt in primary school about History. We would also like to know about any History you are interested in outside of school, or which topic was your favourite! So feel free to include all this information in your posters.

Have fun and we can't wait to meet you all!
