

Workshops & Webinars: 2020 - 2021

Due to the Covid-19 lockdown and school closures/disruption, we have moved some of our Apple RTC workshops online as webinars and virtual masterclasses. You can now book tickets below for our upcoming webinars and we will forward the Zoom meeting codes to delegates and upload any notes and workshop materials.

All webinars will be a mixture of demonstrations, walk-throughs and interactive Q&A. We will also guide you through how to use the webinars to help collect your badges to become an Apple Teacher.
